

Executive Management Board Update and Welcome

Hi There,

Welcome to all those who have registered and shown support to the new Multisport NZ organization. The formation of Multisport NZ is progressing forward "slowly but surely" as we need to get it right first time. So here is an update on where the organization is at.

The Executive Management Board

The Co-Opted committee which involves myself, Steve Knowles (Vice President), Kevin Osborne (Legal Advisor, Committee) Nathan Fa'avae, Gordon Walker and Kristina Anglem have all done an outstanding job to bring this all together along with support from Robin Judkins, who is the Multisport NZ Patron. Special mention should go to Steve Knowles who keeps everyone on track and has put in endless hours of unpaid work. The committee are all high achievers who are unpaid and bring real creditability to Multisport NZ.

Strategy of Multisport NZ

The following headings are areas the Executive will concentrate on to best benefit our Multisport/Adventure racing community.

- Membership- We will work on recruitment of members, the retention of the foundation members, increasing participation from beginners through to Elite athletes.
- Promotion- We will set up pathways to increase awareness of Multisport NZ, the sport and Multisport events.
- Coaching- Provide an educational learning structure for coaches and athletes to allow them to develop great skills and knowledge

- Coordination- Provide effective pathways for information sharing.
- Financial- To become a sustainable organization able to support itself with pathways to funding opportunities for its members.

Where to now- how can you help?

As you can see huge steps have been taken and we are now at a critical stage to enable us to move forward. Funding is a challenge and this is where your club or individuals or prospective sponsors can help, we have been offered a \$1000 donation if we can get 24 others to contribute a \$1000 this is a great offer and will assist us to set up the website, and cover the ongoing costs associated with a National Sporting Organization.

If you would like to make a donation please contact Kevin Osborne on his email Kevin@batehallett.co.nz his law firm will manage the funds in its account.

Good luck to those doing Coast to Coast hope your training has gone well and you are ready to race. Steve, Kevin and I will be along there so feel free to come up and chat about Multisport NZ.
