

Dear Multisporter/Adventure Racer

In the national "on line" poll undertaken by the Multisport and Adventure Racing Steering Committee in March 2007, you elected the option **"to support the formation of a body representative at national level of the sports of multisport/adventure racing."**

The national body Multisport New Zealand Incorporated was incorporated as a society under the Incorporated Societies Act 1998 by the Registrar of Incorporated Societies on 28th November 2007.

The constitution provides that those individuals who participated in the national poll supporting the formation of Multisport New Zealand become inaugural members in accordance with Clause 4.2(b)(ii), subscription free until 31st March 2008 provided the individual does not revoke such membership within one month of receipt of this notice.

If you wish to retain your membership do nothing. If you wish to withdraw then please advise within one month from the date of this e-mail that you do not wish to become a member and your name will be deleted from the association membership register.

Individuals who are members of an approved club will automatically, at no additional fee, become members. Inquire of your local multisport club whether it qualifies as an approved club.

Individuals who did not complete the poll, and all those clubs and individuals after 31st March 2008, continue to remain members on paying the required subscription fee yet to be determined by the Executive Management Board.

The inaugural Executive Management Board, on incorporation and until elections are conducted in accordance with the rules prior to the first annual general meeting in June 2008 is as follows:

President : Bill Godsall of Cromwell
Vice President : Steve Knowles of Auckland
Committee Members :
Nathan Fa'avae of Nelson
Gordon Walker of Auckland
Ally Davy of Auckland
Kevin Osborne of Hastings

Once the membership list is finalised there will be regular updates from the Executive Management Board.
