**AUDITOR'S REPORT TO THE MEMBERS OF  
MULTISPORT NEW ZEALAND INCORPORATED**

**Report on the Financial Statements**

I have audited the financial statements of Multisport New Zealand Incorporated on pages 1 to 3, which comprise the balance sheet as at 31 March 2011, and the income statement, statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Committee's Responsibility for the Financial Statements**

The Committee is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted practice in New Zealand and for such internal control as the Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

It is my responsibility to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing (New Zealand). Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Other than in my capacity as auditor I have no relationship with, or interests in, Multisport New Zealand Incorporation.

**Qualified Opinion**

In common with audits of similar organisations, the examination of Receipts has been limited to a comparison of recorded receipts with bank deposits. Accordingly I have not been able to confirm that there has been any unrecorded income, but nothing has come to my attention which would indicate the existence of receipts not banked.

In this respect alone I have not obtained all the information and explanations that I have required.

In my opinion, except for adjustments that might have been found to be necessary had I been able to obtain sufficient evidence concerning income, the Financial Report on pages 1 to 3 fairly reflects the results of the operations for the year ended 31 March 2011 and fairly reflects the financial position of Multisport New Zealand Incorporated as at 31 March 2011.

Other than in my capacity as auditor, I have no relationship with or interest in the Society.
